August 2023

From the desk of Tim Ploen, President

With summer flying by it's almost time for our annual meeting. This meeting is set for **September 23**.

As everyone is aware, not one of us sitting here tonight was a board member at our last annual meeting. Thank you all for your patience, cooperation and support while we all have made this transition.

At our annual meeting there will four seats up for election. Hopefully, everyone currently on the board in one of these seats will be turning in their nomination papers by August 1st. Consider running yourself or encourage a good candidate. There is great benefit to having more candidates than seats. This gives everyone the opportunity to evaluate and determine who is going to best serve our community. I will say for me personally, it's been an eye opener and way more than what I expected, in many ways.

Respectfully

Tim Ploen

DIAMONDHEAD LAKE SAFETY TIPS

Have Fun / Be Safe

-  All watercraft must travel in a counter clockwise motion around the lake
-  Maintain at least 75 feet from other watercraft
(If watercraft is towing skier or tubers, you must always maintain 75 feet minimum distance from them as well)
-  If You're a slow moving watercraft, try to stay close to buoys to allow room for faster watercraft
-  The watercraft in front of you always have right of way
-  If lake feels too congested for skiers & tubers, take a break and try later
-  Absolutely no swimming or rafting out in the main lake areas

**Have A Great
Boating Season!**
