DIAMONDHEAD LAKE SAFETY TIPS

Have Fun / Be Safe

-  All watercraft must travel in a counter clockwise motion around the lake
-  Maintain at least 75 feet from other watercraft
(If watercraft is towing skier or tubers, you must always maintain 75 feet minimum distance from them as well)
-  If You're a slow moving watercraft, try to stay close to buoys to allow room for faster watercraft
-  The watercraft in front of you always have right of way
-  If lake feels too congested for skiers & tubers, take a break and try later
-  Absolutely no swimming or rafting out in the main lake areas

**Have A Great
Boating Season!**

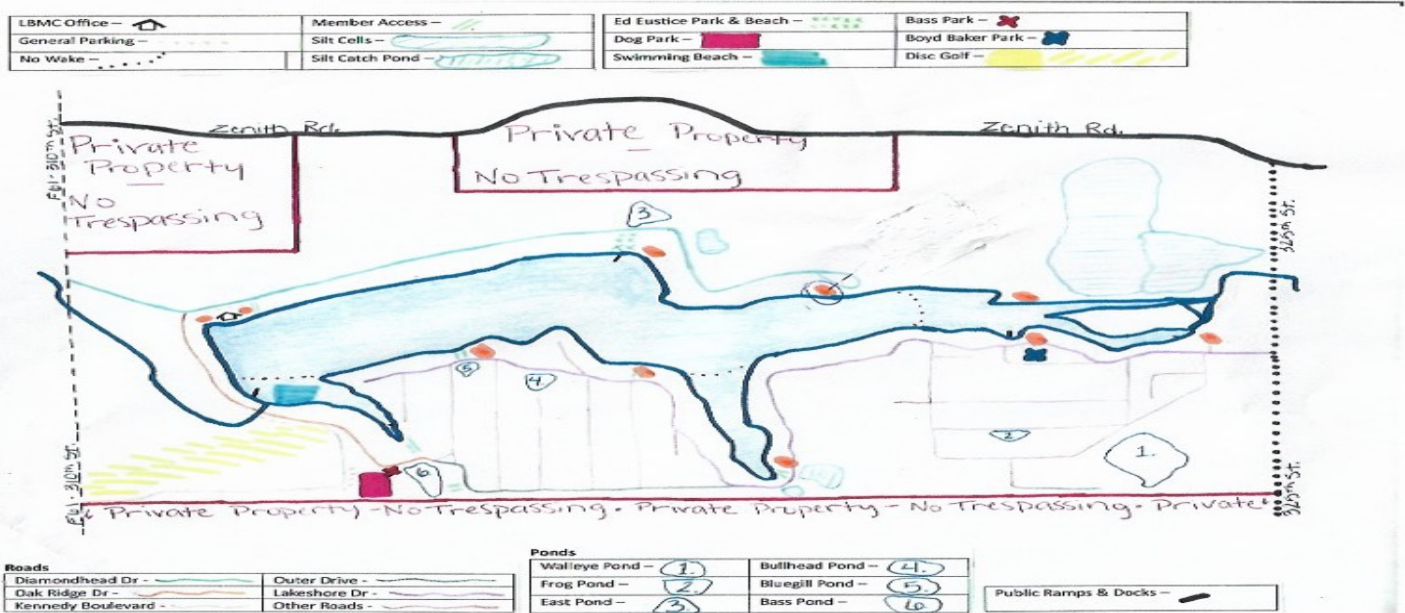

WALKING TRAIL PROJECT

Would you like to rest on a park bench or sit at a picnic table while walking around the new “Lake Walking Trail”? The Natural Resource Committee is starting a fund raiser to purchase those for your comfort!

Donation can be made at the office. However, If you and your family would like to have your own PERSONAL bench, on the trail, it can be purchased at a cost of \$600. The **ORANGE** dots on the map show the places to sit , listen to nature, and enjoy the lake.
