September 2023

From the desk of Tim Ploen, President

This month is our annual meeting. This meeting will have several items presented for proposed changes to our community as well as the budget for next year. It is important that all members familiarize themselves with every item presented.

Take the time to review, ask questions and be informed to allow yourself to make an informed vote. Please plan to attend this meeting and have a say in what happens in our community. This meeting will also be the time to vote in four board members to help lead us for the next two years. I would strongly encourage everyone to get to know each of the candidates.

Being a board member is a commitment and requires everyone to dedicate a lot of time to the process of managing our community. We need a board with cohesiveness to be able to work together to continue to move forward. Hope to see a large turnout for this meeting.

With the Labor Weekend approaching, enjoy your time on our beautiful lake and remember there are lots of fun events planned at Boyd Baker/South Park.

DIAMONDHEAD LAKE SAFETY TIPS

Have Fun / Be Safe

-  All watercraft must travel in a counter clockwise motion around the lake
-  Maintain at least 75 feet from other watercraft
(If watercraft is towing skier or tubers, you must always maintain 75 feet minimum distance from them as well)
-  If You're a slow moving watercraft, try to stay close to buoys to allow room for faster watercraft
-  The watercraft in front of you always have right of way
-  If lake feels too congested for skiers & tubers, take a break and try later
-  Absolutely no swimming or rafting out in the main lake areas

**Have A Great
Boating Season!**
